

Reflections 1969

St. Stanislaus College

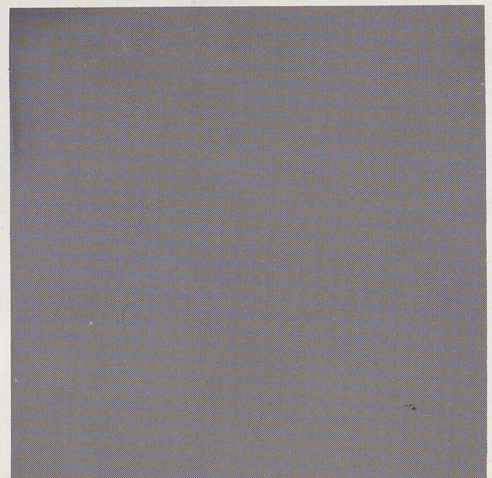

Founded 1854

Dedication

Sitting behind his wide, old-fashioned desk, Brother Firmin has been friend and confidant to many at St. Stanislaus for the past seventeen years. Coming to the College as bursar in 1952 he has, with patience and diligence, kept the house's accounts. He has seen the school progress and graduate into the world the fruit of his hopes and prayers.

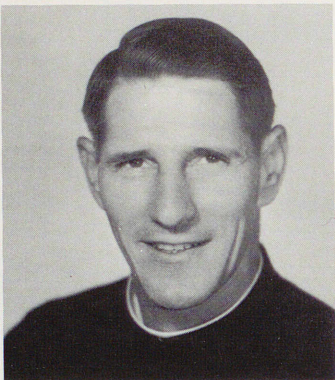

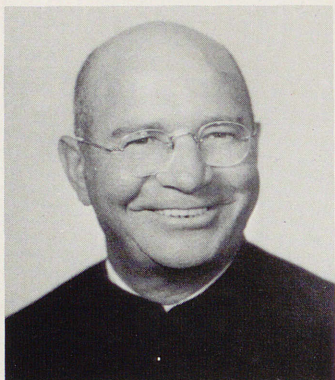

Rising in the morning at three, Brother Firmin starts his day by making coffee for the Brothers and can be found in his office by 7:15. Perched behind his window, amid papers and pencils, he dispenses the necessities of life at a boarding school. With the alert eye of a businessman and the kindly humor of a good religious, he holds sway over his domain. Often, Brother can be heard saying to the little ones who frequent his office, "No monkey business now!" as they tinker with the fascinating objects on his desk. And in the evening, one can't but notice Brother Firmin in the chapel saying his Office.

It is to this man whose stability and warmth seem part of the very walls of St. Stanislaus that the Staff wishes to dedicate its work.

Sporting a 6-3 record, the 1968 football season proved to be one of the School's best in this decade. Although the Rocks were injury ridden most of the year, they came through with the big ones, including the teams victories over Notre Dame of Biloxi and Bay High.

The St. Stanislaus team was bolstered by the talents of seniors Gravolet, Matherne, Meyers, and Boudreaux who were scholarship prospects.

Gary Griffin and Xavier Lewis experience tense moments while looking on from the bench.

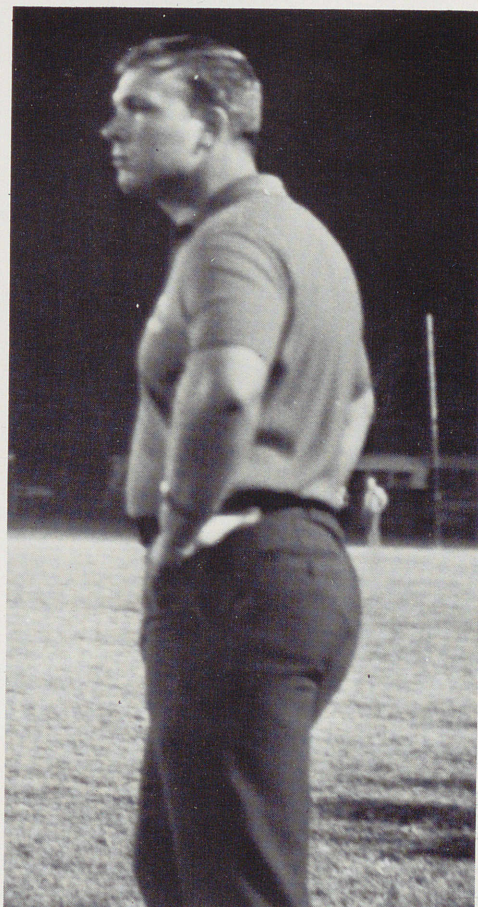

Excitement Mounts on Sidelines

Head Coach Buddy Pitalo looks on as his team pushes to victory.

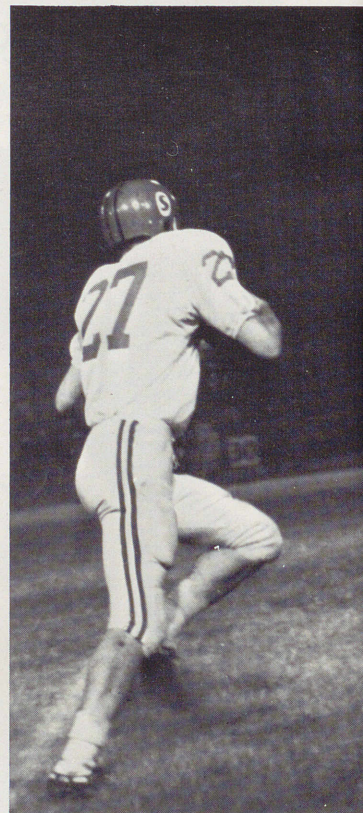

Coach Harold Hitt, in a moment of silence, watches the Rocks on the move.

Charles Matherne (75) and Mike Meyers (84) attempt to block one of Bay High's punts.

The strength of the Rock-a-Chaws was their blocking. Here Mike Meyers makes a key block to spring Dennis Burmaster for extra yardage.

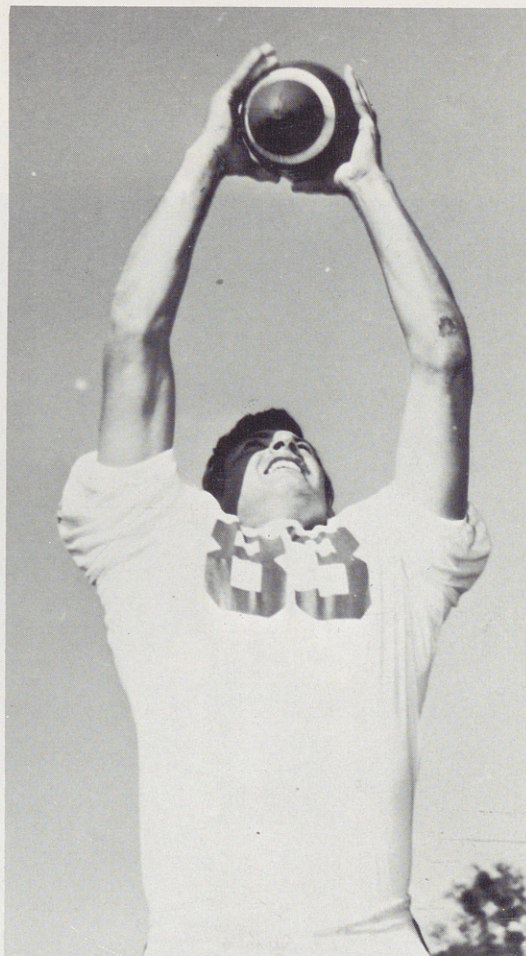

Quarterback Paul Gravolet led the Stanislaus attack with 77 pass completions for 974 yards.

Joe Pugh (12) stops a Slidell player as Terry Phillips (10) rushes in to assist.

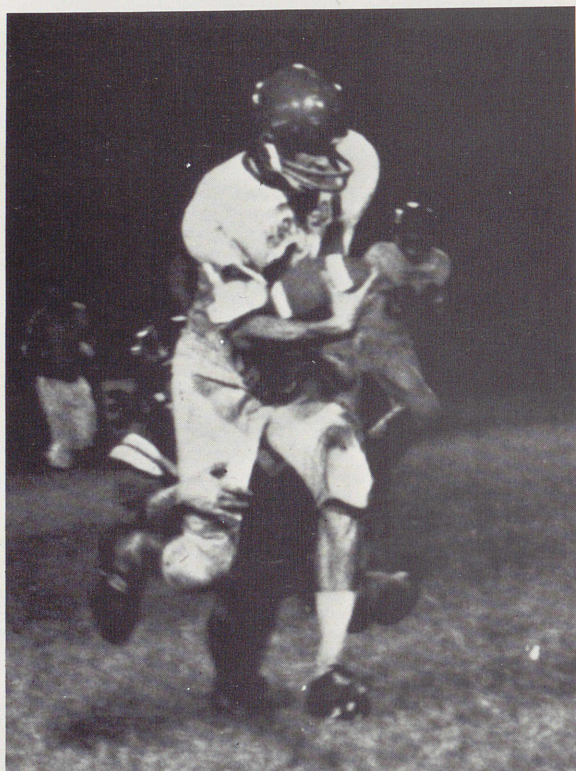

Joe Boudreaux's excellent style as an end has aided Rocks with 22 receptions for 402 yards and 11 touchdowns.

Charles Matherne shows his ability to tackle. He also proved his ability to catch passes by taking 3 receptions for 44 yards.

Opposing teams are held for short yardage by eager tacklers.

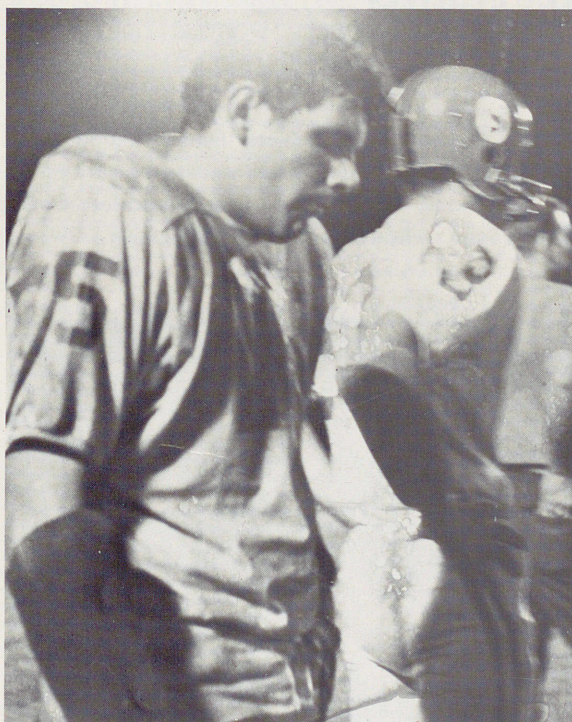

Hard fighting by Rocks sometimes resulted in injuries on both sides. Joe Boudreaux, Bill Mashburn and Dennis Burmaster sport bum legs after a hard night.

Joe Pugh and Richard Compagno close in on Notre Dame ball carrier.

Rocks See Finest Hour Over Notre Dame

Too much action for Charles Matherne places him on bench after "K.O.ing" a Rebel. Jimmy Hughes looks on in anticipation of action.

Mike Meyers shows how the professionals do it. He had 19 receptions for 125 yards and 5 touchdowns.

Mike Meyers (30) and Mike Gemelli (12) were the co-captains for the '68-'69 season. Together, they led the Rocks to a 25-5 season.

Coach Cuccaro was the guiding genius behind the Rock-a-Chaws' success. He is seen here preparing to initiate last minute strategy.

Managers Chris Wegmann and Joey Monti relax as the team works out. Both share responsibility as head managers for football, baseball and track as well as basketball.

Gravolet Receives Honors

Stanislaus's All-District winner, Paul Gravolet (11), led the Rocks's scoring department with a game average of 15 points.

Here, four Rock "guns" demonstrate team effort.

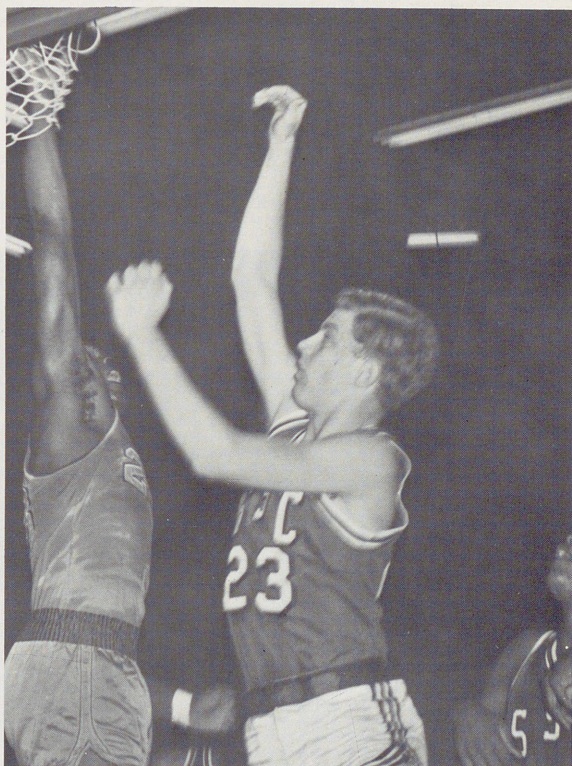

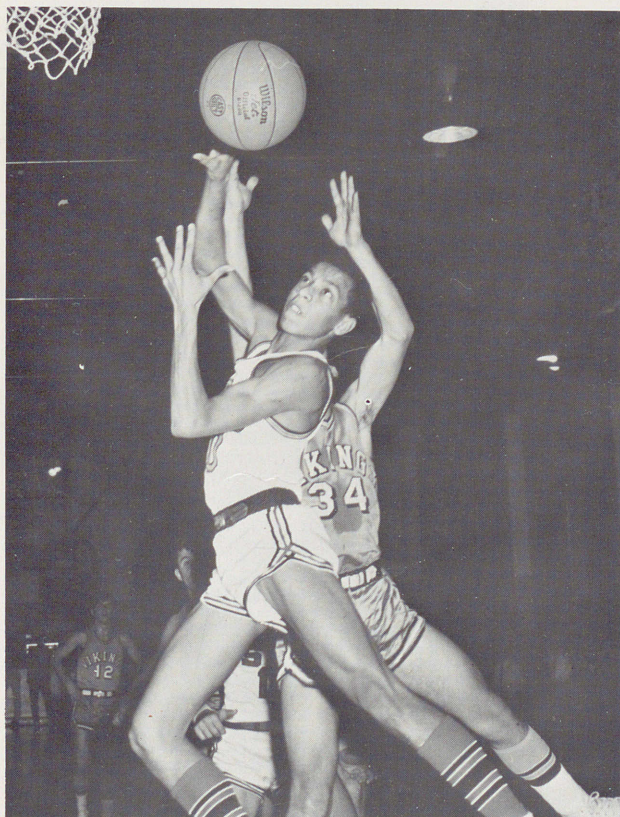

Co-captains Mike Meyers (above) and Mike Gemelli (right), with muscles straining, lead their team to victory. Meyers, a three sport letterman showed exceptional ability as a forward. Gemelli, with tremendous leg power and agility, proved to be one of the most formidable guards in S.S.C.'s district.

Bill Mashburn (foreground) and Emile Lewis are among those whose exemplary spirit helped to cheer the Rocks during their fine season.

The surprise of the year was "SuperSub," the five foot, eleven inch, forward who came off the bench to average nine points a game and to come down with almost half the rebounds.

Tommy Liles goes for two to increase the team's lead in tournament play.

Captains' Prowess Leads Team

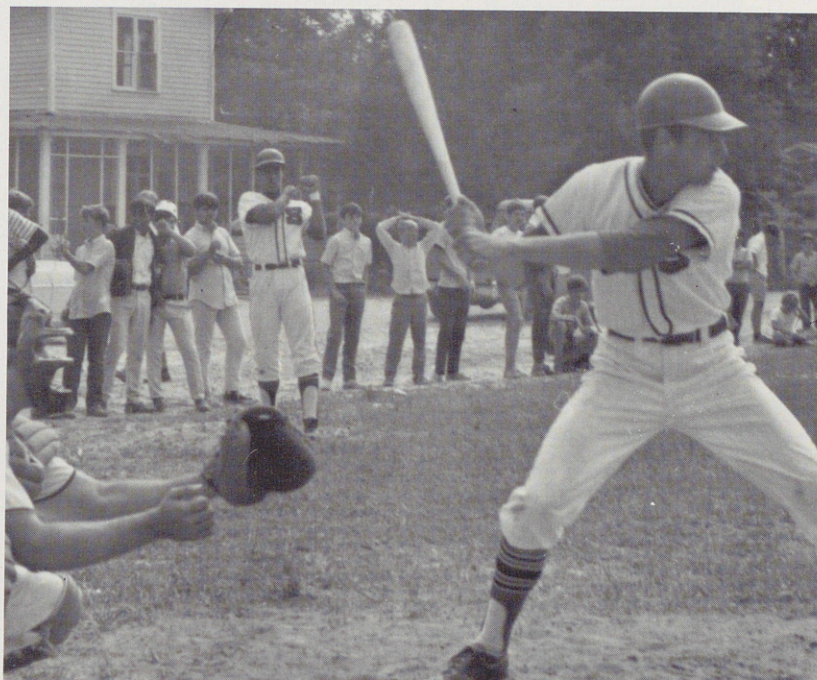

Two of the captains for the Stanislaus nine were Mike Gemelli and Paul Gravolet. Not shown is Ronnie Prudhomme.

(Above) Mike Gemelli rounds third and heads for home after hitting another home run. Mike's outstanding ability earned him the Man Award for the second consecutive year.

(Right) Paul Gravolet scores against Bay High as Stanislaus chalks up another victory against their cross town rivals, to make S.S.C. the undisputed power for the '69 season.

(Above Left) Ed Favre slams one of Pavolini's fast balls for a double. Favre was one of the batters that had a better than .300 batting average.

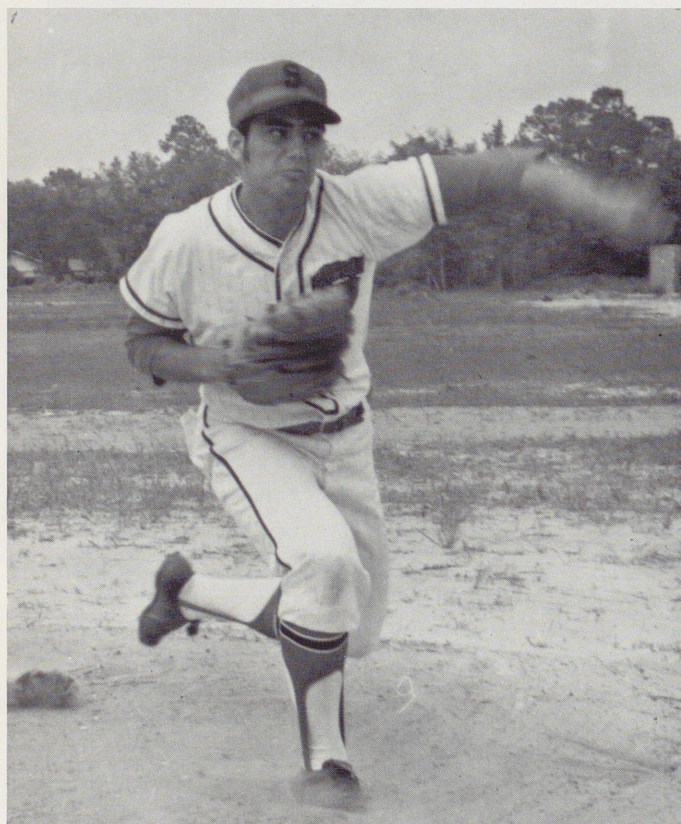

(Above) When runs were needed the team could count on Ed Weidner as he had R.B.I.'s in almost all games. Here the Rock fans are not disappointed as Ed knocks in another run.

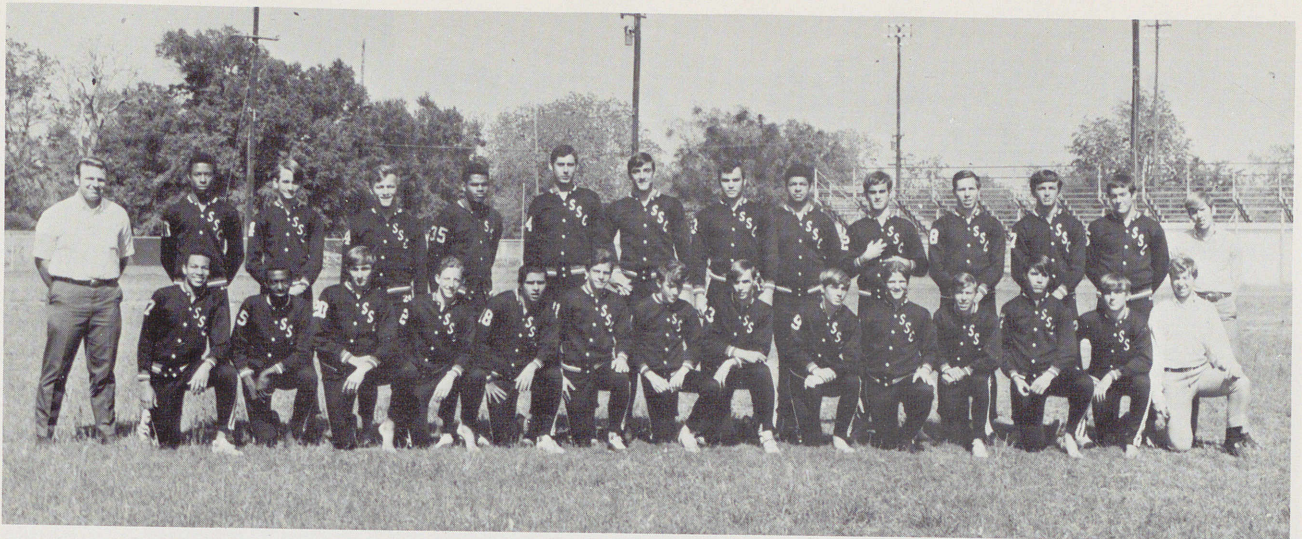

The top hitters for the Rocks this year were Mike Gemelli, Paul Gravolet, Dennis Burmaster and Emile Lewis.

(Right) Fielders did an outstanding job this year making it easy for the pitching staff. Here a long fly ball is snagged by Ronnie Oustalet, making the final out.

(Bottom Right) Emile Lewis, sophomore pitcher, hurled one no hitter and three shut outs.

(Below) Another southpaw on the pitching staff was Ronnie Prudhomme. Ronnie pitched two shut outs and three one hitters. For excellent performance he received the pitching award this year.

STANDING: Coach Hitt, Kelvin Dugue, Tom Flynn, Jack Fayard, Xavier Lewis, Albert Levings, Bill Mashburn, Mike Meyers, Lloyd Figaro, Alex Montagnet, Richard Compagno, Jimmy Oustalet, Richard Mashburn, Joey Monti. KNEELING: Marvin Hypolite, Walter Wilson, David Sawyer, Robert Stack, Jose Herrero, Roland Hymel, Mike Flynn, Gary Griffin, David McFarland, Roland Day, Kirt Kelner, Jay Cantey, Robbie Florie, Chris Wegmann.

Under the guiding eye of Coach Harold Hitt, the 1968-'69 St. Stanislaus Track Team produced some outstanding athletes. Special mention should be made of our fine relay teams; also, of Bill Mashburn (right) in discus, with a throw of 132 feet. But the word outstanding finds its real application in Mike Meyers, who placed first in Mississippi with the shot put. Mike's best mark for the season was fifty-four feet, six inches.

It is hardly possible to say that this represents the apogee of a remarkable career in high school athletics. Mike so distinguished himself in other sports. However, it is certainly a high point in any career for it to be said that among his peers, "he was Number One!"

(Center) The 440 yard relay consisted of Richard Compagno, Kelvin Dugue, David McFarland, and Xavier Lewis.

(Right) Alex Montagnet prepares to make his final kick as he surges ahead of the Bay High runner to the finish line.

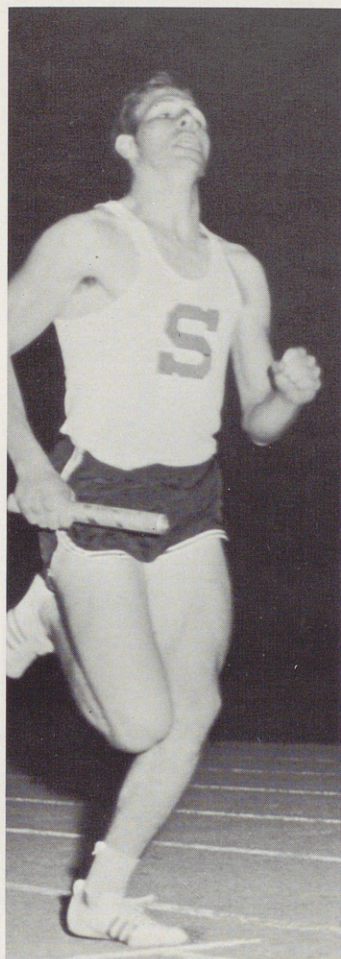

(Bottom Right) Marvin Hypolite performs intricate handoff as he passes the baton to David McFarland during the 440 relay.

(Bottom Left) The mile relay was run by Marvin Hypolite, Gary Griffin, David McFarland, and Kelvin Dugue.

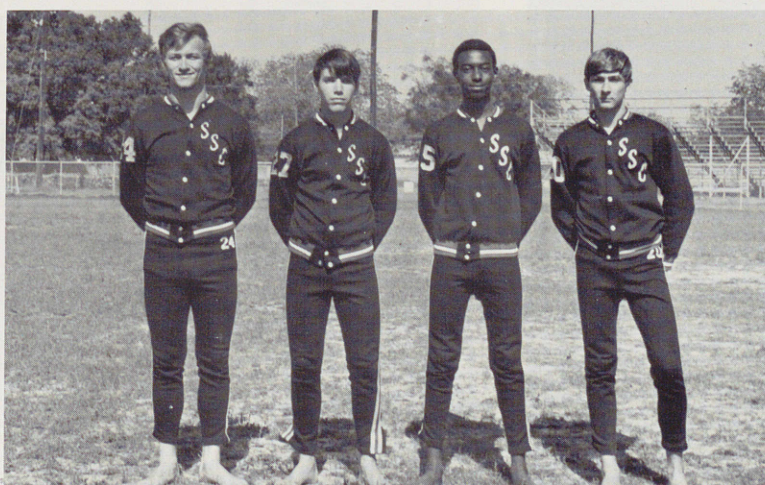

The 440 and Mile Relays

Meyers Takes State

(Top Left) Mike receives congratulations and medal for first place in Gulfport Meet. (Top Right) Form is the basis for any long toss. Here Mike positions himself with a form that won the South Mississippi Meet with his longest of the year, 54 ft. 6 in. (Right) A little twist and a smile gives the impression that it is easy for Mike as he tosses the shot for a new district record of 52 ft. 7 in. (Far Right) That extra effort was characteristic of Mike's throws. It was this little extra that made him state champion.

Student Council

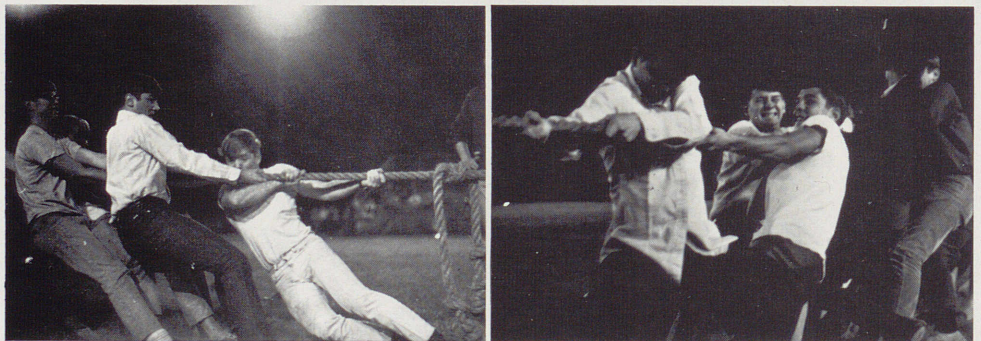

Under the direction of Brother Joseph Donovan the Student Council has had an active year. Perhaps its greatest single achievement has been the fostering of school spirit through tournaments of various kinds, dances and service projects.

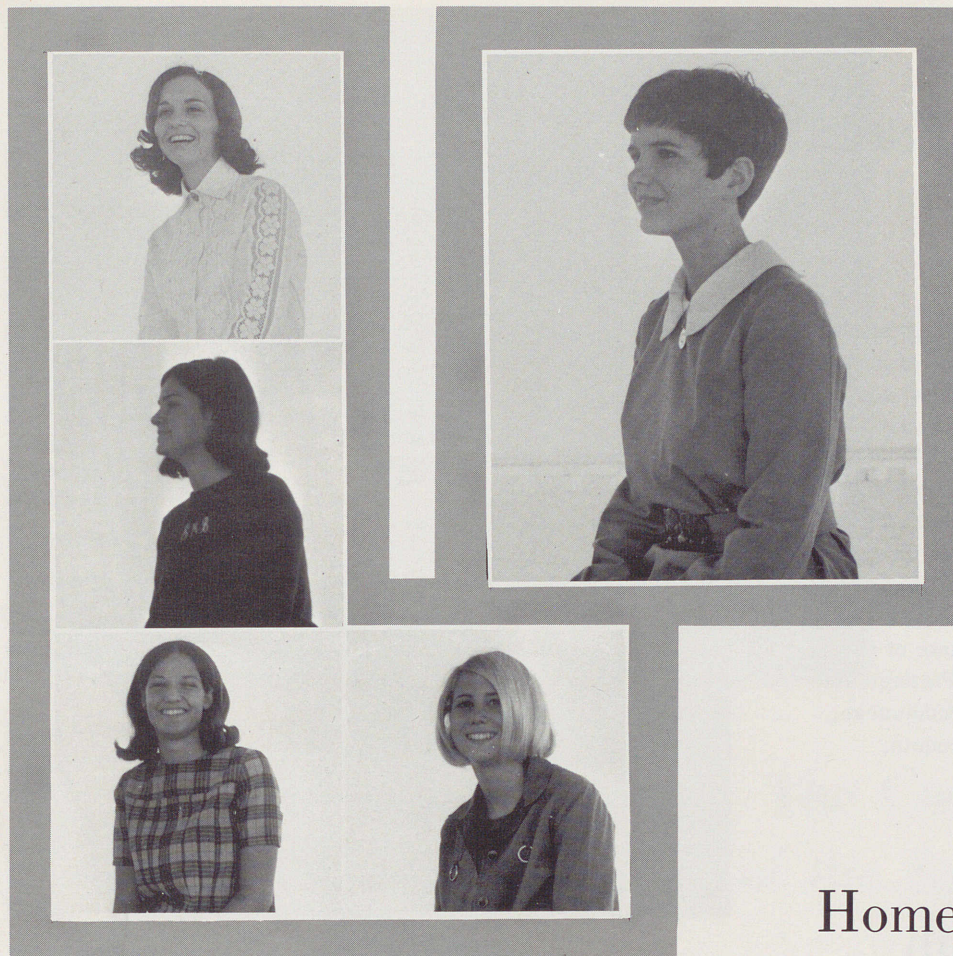

After an interesting election, members of the high school department have selected a truly outstanding staff of officers for this year. Joey Monti (left) will head the group as President. Joey's previous experience on the Council, coupled with his wide interests should serve to make this coming year a great one.

Organized by the administration of the college for the purpose of furthering student-faculty relations, the Discussion Forum came into being during the fall months of 1968. The Forum consists of four or five members from each of the four high school classes, serving at the invitation of the faculty. Baskets at Thanksgiving and Christmas, picnics for orphans, new liturgy Masses, discussions in race relations - these are a few of the activities sponsored by the Confraternity. John Jones served as President of the Confraternity with able support from the many Freshmen members.
